

# Column planning sheet

Name:

•Possible topic:

•Possible angle:

•Possible lead (actually write it and remember: include as many of the 5Ws and H as you can; keep it to about 30-35 words):

•What will students learn from reading your column?

•Make a brief outline. This can be in traditional outline format, in a concept map or in any form that shows me you've thought about what order the article might go in.
